

Identified HealthRecruit helps you find more quality candidates, faster than any other Healthcare Staffing resource on the market.

Identified is in the final phase of releasing HealthRecruit in the market and is offering a 50% discount per seat for clients that sign on before 12/10/2012.

Features Include:

- Participation in the Launch Partner Program: You will be working closely with our Product team for about 30 days as we optimize the product for launch.
- Unlimited access to all Identified profiles: Access to 600M+ profiles including our Healthcare Network of over 1M healthcare professionals and full visibility into the candidates' public social network and connections.
- Unlimited search: Run unlimited number of searches and streamline your searches with unlimited number of Saved Searches.
- Premium search filters: Target the most relevant candidates using premium filters based on Keywords, Titles, Locations, Healthcare Facilities, Experience, Education and Company Network.
- Manage your pipeline efficiently: Create candidate lists and establish relationships with new candidates by saving interesting candidates to Folders or Clipboard.
- Personalized and unlimited messaging through Facebook: Use Facebook messaging to contact potential candidates with job opportunities
- Boolean searches*: Perform highly targeted searches to find the most relevant candidates by using boolean logic in the keyword search.
- Faceted navigation*: Explore search results effectively through faceted browsing and refine results further.
- Light ATS integration*: Better visibility into your interaction history with the candidate through ATS integration.
- Team collaboration & account management*: See the activity of other recruiters at your company and optimize your efforts through collaborative recruiting.
